Take a step back into yesteryear - Coronation Hall was originally a picture theatre used by builders and their families during the construction of the dam wall at Somerset Dam. The venue is in its original condition and boasts country character coupled with high ceilings and open spaces. The venue is in the perfect location (close to Lake Somerset) and suitable for any vintage or rustic themed event. The venue contains trestle tables and pews and a modern amenities block.

HALL FEATURES

- Capacity for up to 200 people
